MARQUEE RECEPTIONS AT SILVERWOOD

Silverwood Lodges is in an Ideal location for guests attending weddings at Errol Park, The Byre at Inchyra, Guardswell Farm & Fingask castle. Silverwood is only 5 minuets from most venues and a stone's throw from Errol Park.

Adelle & I were married at Errol park and felt we had no time with our guests so have developed Silverwood to allow the bride & groom to make the most of time with their family and guests before and after the wedding.

At present we can sleep 62 guests in our:

6 SPA LODGES

with luxury Jacuzzi baths - sleeping 4 in 2 doubles

5 FAMILY LODGES

sleeping 6 in 2 doubles & 2 singles (one has 3 doubles)

2 HIDEAWAY LODGES

with water front views - sleeping 4 in 2 doubles

We Identified guests travelling to stay with us arriving on a Friday might go food shopping then have the hassle of cooking when all they want to do is enjoy time together, and everyone simply leaves too much food & drink.

Our thoughts were, lets do a drinks reception with a buffet in our marquee allowing guests to simply arrive and relax with hot & cold food options and a stocked bar to make the most of the celebrations the evening before and a post wedding breakfast or barbecue lunch.

This changes the wedding into a 3 day event where family & friends can catch up the evening before the big day then re cap on all the big day's events the following day before heading for home, giving a truly memorable experience.

Minimum number of 50 guests for a buffet and a welcome glass of fizz £24pp

A licenced paid for, manned bar will serve drinks before guests retire to the comfort of the lodges.

Alternatives to the Buffet	Additional options are
Barbecue & Glass of Fizz / £24.00pp	Sunday Breakfasts or brunch / £13.00pp <i>This can be booked only along with a Friday Reception as detailed above.</i>
Hog roast & Glass of Fizz / £24.00pp	
Tea & coffee / £2.00pp
